

Terms and Conditions for SKC Warranty Promotion

AES will extend the 12-month manufacturer warranty for another 12 months on all newly purchased SKC XR5000 sample pumps from 2/12/2020.

Conditions of offer:

- Only applies to newly purchased SKC XR5000 sample pumps, low or high-powered versions included
- The service must be carried out by an AES SKC certified technician when the pump is due for calibration
- You must complete the service within 12 months from the day of purchase
- Any other service and repairs during the 2-year warranty period must be completed by a AES SKC certified technician
